

Katerina Gkoltsiou, President and Delegate

FUTURESCAPES: Rethinking Urban Landscapes

Pecha Kucha Presentation
IFLA Europe General Assembly,
14-16 October 2016 Brussels, Belgium

IFLA EUROPE
INTERNATIONAL FEDERATION
OF LANDSCAPE ARCHITECTS

Futurescapes: Rethinking Greek Urban Landscapes

E_co_llectiva project. Designers Katerina Petsiou (Architect) & Thanassis Polyzoidis (Landscape Architect-Architect).

Futurescapes: Olympic projects

Although many of the Olympic projects were abandoned and remained unused till today, the supporting infrastructures /parks have changed the image of the cities.

Katrakion theater – Olympic Weightlifting facilities & Marathon starting area. **Landscape Design: Julia Georgi**

OF LANDSCAPE ARCHITECTS

Futurescapes: Urban Parks

The idea of the Mediterranean hill is expanded to the green roofs of the National Library.

All plants are indigenous from the Greek islands.

Stavros Niarchos Park. Athens 2016. Source: Photo archive of H. Pangalou & Associates

Futurescapes: Waterfront Parks

The value of biodiversity in water habitats as well as the importance of Greek nature in the urban waterfront environment

Thessaloniki's New Waterfront. The garden of water. Source: Photo archive of Z. Karakinari

Futurescapes: Community gardens

"e_co_llectiva"
after ecology (eco),
collectivity (collectiva)
and new technologies (e)

E_co_llectiva project. Designers Katerina Petsiou (Architect) & Thanassis Polyzoidis (Landscape Architect-Architect).
